June 18, 2020

Dear WSD Parents,

As we near the end of the school year, we are hoping to get some feedback from you regarding the fall. While there are still many unknowns and we have to work with the Department of Health and OSPI to determine exactly what we can provide, I wanted your input as well. Please take a few minutes to do this short survey. I appreciate your time! Please look for more communications from me throughout the summer.

Find the survey here:
